June 1	General Rev.	General Rev.	General Rev.	General Rev.
June 5	General Rev.	General Rev.	General Rev.	General Rev.
June 7	Exam Day!	Exam Day!	Exam Day!	Exam Day!

Things to keep in mind...

- Exam is cumulative (it covers the entire year)
- 2-hour exam period
- Questions will cover lots of material
 - Only a few questions on any one topic
 - 1 point questions cover mostly factual information
 - Essays will involve more concepts and big ideas

Exam Format

- Approx. 200 points total
- Approx. 150 1-point questions
- Multiple choice, fill-in-the-blank, true/false, diagrams to label
- 3 10-point essays (One will be required, you will have several to choose from for the other two)
- 1 20-point essay (You will have a few to choose from)
- Will cover all three units: Ecology, Sound and Light, and Earth's Water

Exam Format Cont.

- Questions will be clustered together (a few from each unit)
- Types of questions will be clustered together (there will be more than one T/F section, more than one Multiple Choice section, etc.)
- All answers will go on an answer sheet

What should I use to Study?

(If we didn't cover it in class, it won't be on the exam!)

- Quizzes
- Notes in your compo
- Old homework assignments (especially Section Review questions)
- Readings from your textbook
- Any handouts, worksheets, articles, etc.
- The more times a topic comes up, the more likely it is that it will be on the exam!

A few Other Important Things

- You will be provided with a spelling list- spelling will count for words on the list!
- You may use an answer more than once in the fill-in-the-blank sections
- You may use pencil or pen for the exam (but not a red pen!)
- You will NOT need a calculator for the Waves, Sound and Light portion of the exam
